

Patient Exam Preparation Instructions:

MRI Cholangiogram (MR CP)

We look forward to seeing you for your appointment. Please follow these instructions:

- Do not eat for 4-6 hours prior to your test.
- Arrive at least 15 minutes prior to your test.
- Bring any prior studies (CT/MRI/US/X-Ray) not performed at University Radiology or the hospitals listed on the right.
- Wear comfortable clothing which does not contain metal and is not labeled “antibacterial” or “antimicrobial.”
- Leave jewelry and other metallic accessories at home.
- Do not wear eye makeup or cosmetics.
- Some metal implants and medical/electronic devices on or in your body may interfere with the MRI or potentially pose a risk to you if in the MRI room. If you have an ID card or pamphlet for the implant or medical/electronic device, bring it with you.

Bring relevant studies and reports to your appointment

University Radiology is able to obtain electronic images and reports for you if the previous studies were performed at our imaging centers or at one of our affiliated hospitals located across New Jersey. Please visit our website for a full listing: UniversityRadiology.com

Bring your prescription, insurance card, and photo ID

They are required for this procedure.

Glucose Monitoring Devices

Devices such as the ‘FreeStyle Libre’ must be removed before any MRI, CT scan, PET/CT scan, Mammogram, DEXA, or X-ray. The exposure may damage the device and cause incorrect readings.

Payment

You will be expected to pay your estimated co-payment, co-insurance and/or deductible at the time of your appointment. Call your insurance provider if you have questions about your plan or coverage.

PreAuthorization

This exam may require prior authorization from your insurance provider before we can perform the study. Speak with your referring physician’s office and/or insurance company to understand your coverage and reduce possible delays.
