

Patient Exam Preparation Instructions:

Pediatric Upper GI Series with Small Bowel Series

We look forward to seeing you for your appointment.
Please follow these instructions:

- Arrive at least 15 minutes prior to your test.
- **0-2 years old**
Nothing by mouth for 3 hours prior to the exam. No solid foods after 6 PM of the evening before the exam. Clear liquids only. No milk or formula.
- **3-15 years old**
Nothing by mouth after midnight. No chewing gum on the day of the exam.

Bring relevant studies and reports to your appointment

University Radiology is able to obtain electronic images and reports for you if the previous studies were performed at our imaging centers or at one of our affiliated hospitals located across New Jersey. Please visit our website for a full listing: UniversityRadiology.com

Bring your prescription, insurance card, and photo ID

They are required for this procedure.

Glucose Monitoring Devices

Devices such as the 'FreeStyle Libre' must be removed before any MRI, CT scan, PET/CT scan, Mammogram, DEXA, or X-ray. The exposure may damage the device and cause incorrect readings.

Payment

You will be expected to pay your estimated co-payment, co-insurance and/or deductible at the time of your appointment. Call your insurance provider if you have questions about your plan or coverage.
